

Adrian Schrunner, Lord Mayor
Office of the Lord Mayor
Brisbane City Council

Via email to: lordmayor@brisbane.qld.gov.au

Dear Lord Mayor

REQUEST FOR EXTENSION OF TIME
Green Bridges Program – West End to Toowong and West End to St Lucia

I am concerned about the short timeframe for community consultation of the next phase of the Green Bridges program. The issues being canvassed by Council on the Green Bridges program include options for bridge landing sites which may involve, among other things, the potential resumption of family homes and negative impacts on available public greenspace. Additionally there is no outline of how users will be integrated into the current network and the impact on local streets.

These are significant issues for our community however Council has only allowed a short timeframe for community consultation and this falls in the middle of the school and national public holidays.

The December/January period is the worst time of year to have community consultation on a major issue and I therefore ask that you consider my request for an extension of time until the end of March, to allow for quality engagement and feedback that will lead to better outcomes for all stakeholders.

Yours sincerely
