**RSVP sending your email address to mary.maher09@gmail.com,
email heading 14 Aug Kurilpa Community**

Calling all flood-affected residents of Ryan, Miller, Glenfield, Avebury,
Dudley, Carlow, lower Gray Road, end of Montague, Forbes, Orleigh,
Hill End Terrace, bottom end Hoogley, Drury Streets.

Resilient Kurilpa is a network of community organisations assisting with short and long-term flood issues in the Kurilpa area. Most members were involved in recovery and disaster response work in 2011 and again this year.

This Resilient Kurilpa event is sponsored by West End Community House of Community Plus, Kurilpa Futures, the Westender, West End Community Association and West End Traders' Association.

For more details: www.westender.com.au/local-residents-rally-around-resilience

Risk reduction for future floods: what the Kurilpa community wants known about the 2011 and 2022 floods and what community wants to see happen for better preparedness in the future.
