**6.30 - 8.30pm Monday 31 October 2022**

1<sup>st</sup> Floor, Thomas Dixon Centre

406 Montague Road, South Brisbane

Riverpoint Apartment Body Corporate wish to share their  
Flood Mitigation Planning.

#### PROGRAM

1. Adrian Sains - Civil Engineer, Resident Owner and Body Corporate Member at Riverpoint
2. Leanne Sturgess – Owner and Chair of Body Corporate at Flow Apartments; Resident Owner at Riverpoint
3. Community chat groups – how to adapt information provided
4. Response from elected representatives

**RSVP by sending email to [Melinda@communityplus.org.au](mailto:Melinda@communityplus.org.au)  
using heading "Flood Mitigation"**

This invitation extends to all residents, Body Corporate members, Building managers of flood-at risk buildings. The purpose of the meeting is to share a community resource /template for apartment buildings.

Resilient Kurilpa is a network of community organisations assisting with short and long-term flood issues in the Kurilpa area. Most members were involved in recovery and disaster response work in 2011 and again this year.

This Resilient Kurilpa event is sponsored by West End Community House of Community Plus, Kurilpa Futures, the Westender, West End Community Association and West End Traders' Association.

For more details:

[www.westender.com.au/local-residents-rally-around-resilience](http://www.westender.com.au/local-residents-rally-around-resilience)

**Risk reduction for future floods:** what the Kurilpa community wants known about the 2011 and 2022 floods and what community wants to see happen for better preparedness in the future.
